

March 12, 2020

Two female students from Electrical and Electronic Engineering Department and one female student of Software Engineering Program of CSE Department have not completed their hall registration and hence their seats are cancelled. Their seats are now allotted to next available students in the departmental (or program inside department) merit position. To avail the seats selected candidates have to meet following conditions:

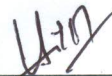

- The listed female students can avail the seats from March 16, 2020, after paying the fee for the Hall. The date of payment can be extended up to March 20, 2020. Total amount for availing seat in a year is \$ 1500 Since the seats are allotted after two and half months, the amount reduces to \$ 1187.5 (( $\$ 1500/12$ ) x 9.5).
- The seat will be automatically cancelled if the payment is not completed by March 20, 2020. The copy of the transaction document should reach the Account Section and the Hall Office of IUT by March 20, 2020.
- Listed female students are requested to go to the Female Hall of Residence to complete the hall registration procedure.
