Notice for IUT Email ID and Password of the Students

This is to notify Students those who have applied for recovering IUT email ID or Password that the process to recover email ID and Password is started from August 9, 2020. As part of this process, a password reset link will be sent to their personal email account (as they have provided) from now and will be continued gradually for the next few days.

The link will be valid only for 48 hours after receiving the mail.

Therefore, Students are requested to follow/check their personal email account regularly, at least once a day to avoid any further problem.
