

Announcement for the Certificate Awarding Sessions

Dear Graduating Students

Due to very little gap between Main Convocation Ceremony & Certificate Awarding Sessions, all Graduating students should immediately leave the main convocation tent after the main session. Everyone should follow the given program schedule and enter the Auditorium as per their applicable session. Degrees will be individually handed over to M. Sc. Engg, B. Sc. I sincerely regret any inconvenience it may cause to your parents and I need your cooperation on this; maximum of one person (excluding the degree recipient) will be allowed to enter the Auditorium. No cross talks, photography, movements during the ceremony. We expect you to be calm throughout the sessions.
