

## WE MOURN HEARTFELT CONDOLENCES POUR IN FOR THREE IUT STUDENTS

Md Jubair Alam Sakib

Md. Mubtasim Rahman Mahin

Mir Mozammle Hossain Nayem

With heavy hearts with profound grief and sadness, the students, faculty, and staff members of the Islamic University of Technology (IUT) mourn an unspeakable tragedy that has struck our community. In a devastating accident in Gazipur, three of our beloved students have tragically lost their precious lives (إِنَّا لِلَّهِ وَإِنَّا إِلَيْهِ رَاجِعُونَ), and three others have suffered injuries. This heart-wrenching incident, caused by the electrocution of a picnic bus, has left all of us in deep shock, sorrow, and immense pain.

The deceased are Md Jubair Alam Sakib, Md. Mubtasim Rahman Mahin and Mir Mozammle Hossain Nayem from Department of Mechanical and Production Engineering (MPE) of the university.

The loss of these young, vibrant lives has left an irreplaceable void, not only in their families but also within the IUT community. Their dreams, hopes, and aspirations, which once illuminated our campus, have been tragically extinguished far too soon. No words can truly express the depth of our heartbreak. We extend our deepest condolences to their grieving families and loved ones, sharing in their profound pain during this time of immeasurable loss.

Our thoughts and prayers also go out to the injured students, who are enduring physical and emotional suffering. We are committed to standing by them, providing all necessary support to help them recover from this traumatic ordeal.

This is a moment of great sorrow for the entire IUT community. We humbly pray for the eternal peace of the departed souls and seek the mercy of the Almighty Allah to grant their families the strength to endure this unbearable pain. May Almighty Allah also bless the injured with a swift and complete recovery.

The authority of IUT has decided to observe **three days of mourning** from Monday, 25 November 2024, to Wednesday, 27 November 2024, following the tragic death of three beloved students. During this period, the **IUT flag** will be hoisted at half-mast on the university campus.

May their souls rest in eternal peace.

With heartfelt sympathy,

**Islamic University of Technology (IUT)**  
**A subsidiary organ of Organisation of Islamic Cooperation (OIC)**
