**Statement of IUT on:
The Attack Against the Family of Late Alumnus Mr. Zahiduzzaman Tanvin**

Date: 14.02.2025

We, the members of the Islamic University of Technology (IUT), a subsidiary organ of Organization of Islamic Cooperation (OIC), express our profound condemnation of the recent attack on the family of our late alumnus, Mr. Zahiduzzaman Tanvin. Mr. Tanvin tragically lost his life on July 18, 2024, while participating in the Anti-Discrimination Student Movement, which advocates for equality, social justice, and democratic freedoms in Bangladesh.

On February 8, 2025, at 5:30 PM, Mr. Tanvin's family endured a distressing attack, leading them to file a Case on February 10, 2025, at the Tongi Police Station in Gazipur. We stand firmly against any form of violence, intimidation, or harassment directed at individuals who have already faced irreparable loss during this critical movement.

Such actions are intolerable in the new, fascism-free host country Bangladesh that has been forged through the sacrifices of thousands of lives and the injuries of countless individuals. We call upon the relevant authorities to take immediate and effective measures to ensure the safety and security of Mr. Tanvin's family and to bring the perpetrators of this heinous act to justice. Mr. Tanvin gave his blood for the betterment of the country, and any act of violence towards his family is both disgraceful and deeply disheartening.

IUT is unwavering in its commitment to uphold the values of justice, fairness, and human dignity within a democratic society. We stand in solidarity not only with the family of our late alumnus but also with all families who have contributed to the establishment of this new, fascism-free Bangladesh. We urge all concerned stakeholders to take proactive steps to prevent further acts of violence and intimidation.

With collective strength, we restate our commitment to ensuring a harmonious and equitable society for everyone.
