

## Three IUT Faculty Members Ranked Among the World's Top 2% Scientists by Stanford–Elsevier (2025 Edition)

The Islamic University of Technology (IUT) is delighted to announce that three of its distinguished faculty members have been ranked among the world's top 2% of scientists, according to the Stanford–Elsevier Global Ranking of Scientists (2025 edition).

The recognized faculty members are:

1. Prof. Dr. Rakibul Islam, Department of Electrical and Electronic Engineering (EEE)
2. Prof. Dr. Munjurul Ehsan, Department of Mechanical and Production Engineering (MPE)
3. Prof. Dr. Arafat Ahmed Bhuiyan, Department of Mechanical and Production Engineering (MPE)

This prestigious recognition is based on a comprehensive analysis of standardized citation metrics, reflecting sustained scholarly contributions and global research influence.

The achievement stands as a testimony to IUT's growing academic excellence and research impact under the auspices of the Organisation of Islamic Cooperation (OIC).

The University extends its heartfelt congratulations to the recognized faculty members for bringing international acclaim to IUT through their outstanding research endeavors.

### Three IUT Faculty Members Ranked Among the World's Top 2% Scientists

Stanford–Elsevier (2025 Edition)

**Prof. Dr. Rakibul Islam**

Department of Electrical and Electronic Engineering (EEE)

Top 2% Scientist

**Prof. Dr. Munjurul Ehsan**

Department of Mechanical and Production Engineering (MPE)

Top 2% Scientist

**Prof. Dr. Arafat Ahmed Bhuiyan**

Department of Mechanical and Production Engineering (MPE)

Top 2% Scientist

This **prestigious recognition** is based on a comprehensive analysis of standardized citation metrics, reflecting sustained scholarly contributions and global research influence. The achievement stands as a testament to **IUT's growing academic excellence** and research impact under the auspices of the Organisation of Islamic Cooperation (OIC).
